HOW TO... **B**live

If you can not attend the sale in person, Baghera/wines' Live auction platform will relay your bids and give you the opportunity to live the sale as if you were attending it in person. Feel the atmosphere in the room, follow the auction's excitement and place your bids at your convenience – your bids will be instantly relayed to the auctioneer.

B/Live is accessible from computers and mobile devices, all you need is to ensure that your connection is sufficient to support live video streaming. If not, you will still be able to bid live (without the video) as the the current bid and next increment will be visible on the screen.

You will need to register at least 48h prior to the sale on www.bagherawines.auction to ensure registration is complete prior to the sale and confirmed. You will be able to enter the sale and place your bids at your convenience. Please note that credit controls apply on these bids (please refer to our Conditions of sale, page 421 of the catalogue).

ABSENTEE BIDS

If you are unable to attend an auction in person, you may give Baghera/wines instructions to bid on your behalf. Our staff members will then try to purchase the lot(s) of your choice for the lower price possible. Please note this service is free, totally confidential and offered as a convenience to clients who are unable to attend the sale. Although our representative will make every effort, Baghera/wines will not be responsible for error or failure to execute bids.

HOW TO...

PLACE ABSENTEE BIDS?

In order to place absentee bids, please use the dedicated [Absentee bids form](#) provided. Each bid form should contain the sale number. Please accurately record the lot number and the maximum price in Swiss Francs you are willing to pay for each lot (please note that unlimited bids will not be accepted).

Your bid form must be submitted to us or your bids placed online as soon as possible. In event of identical bids, the earliest received will take precedence. Alternative bids may be indicated by using the word “OR” between lot numbers. As a result, if your bid on an early lot is successful, our representative will not continue to bid on other lots on your behalf, or, if your early bids are unsuccessful, we will continue to execute bids for alternative lots until a bid is successful. It is important that your bids are listed in numerical order (as the lot numbers appear in the catalogue).

HOW TO...

PLACE TELEPHONE BIDS?

If you cannot attend the auction, you can place bids on the telephone. We also recommend that you leave a covering bid which we can execute on your behalf just in case we are unable to reach you by telephone. As the number of telephone lines is limited, please make arrangements for this service at least 48 hours before the sale. Please note that Baghera/wines only offers telephone bids in French, English, Spanish, German and Chinese.

BUYER'S PREMIUM

The maximum bid price that you indicate in your absentee bid form is the hammer price only. If you are successful on a lot, a buyer's premium of 20% will be added to the hammer price for each lot you buy. An additional VAT tax of 7,7% will be levied on the hammer price AND buyer's premium. The buyer's premium will be the amount stated in the “Conditions of Sale” printed on pages 420-423 of the catalogue and on [our website](#).

SUCCESSFUL BIDS

Successful bidders will be notified and invoiced within a few days of the sale.
