

BUYING

WITH BAGHERA WINES

Baghera/wines guides and advises you step by step to make your buying experience simple and efficient.

All year round, our team is at your disposal to inform you on market trends, auction procedures or on transport options which are best suited to your needs.

We put our advice and expertise at your disposal, ensuring you bid with your mind at rest.

1 SELECTING WINES THAT INTEREST YOU

Consult our online catalogues on www.bagherawines.auction and browse through the numerous high definition photographs. Zoom into them to inspect every detail of the bottles you are interested in.

Receive our catalogues by the post to experience the pleasure of collecting inspired, richly illustrated objects. On simple request to office@bagherawines.com.

Subscribe to our newsletters to keep posted on lots you could be interested in.

2 BIDDING DURING A ROOM-AUCTION

in person

If you wish to experience the enthusiasm and excitement of attending one of our room-auctions, Baghera/wines will give you a bidding number which will enable you to bid in person during the auction. This bidding number will be given to you once you have duly filled in the [pre-registration form](#).*

absentee bids

If you are unable to come to Geneva for the auction, you may submit your bidding orders online on www.bagherawines.auction through your client account, or send us a duly filled-in [absentee bids form](#)*.

telephone bids

We also offer our worldwide clients the possibility to join in to our room-auctions by bidding over the phone. You will be asked to duly fill-in and return a [telephone bids form](#)* to us prior to the auction.

online live bidding

We also offer our web-using clients an easy online solution to bid live from home during the auction, via our Live Bidding tool on our dedicated platform at www.bagherawines.auction (sales > upcoming sales > go to the sale).

3 PARTICIPATING IN A WINE O'CLOCK

Wine o'clocks are auctions which are proposed exclusively online at www.bagherawines.auction. Pre-registrations, orders and live bidding all happen directly online. Follow the guide by downloading and consulting the [How to Wine o'clock](#) tutorial.

These punctual, regular thematic auctions offer wines selected by our team of experts and are held on our dedicated online auction platform. The main feature of these exciting auctions is that they go backwards, from high estimate to low estimate — the first bidder to click wins the lot.

4 PAY AND RECEIVE YOUR PURCHASES

At the end of the auction, our administrative team will send you an invoice and a shipping quote (according to the wishes you expressed prior to the auction). The final due sum on your invoice will include the hammer price, the buyer's premium and local taxes.

The payment of your purchases can be made by bank transfer. Payments in cash (subject to certain restrictions and legal limits) and by specific credit cards are also accepted on-site during room-auctions. For further information, please refer to our [Terms and Conditions](#)*.

With many years' experience in the wine world, Baghera/wines has brought together a quality network of qualified, reliable and trustworthy delivery providers and shipment carriers. Upon request, Baghera/wines can organize safe deliveries adapted to your needs. Please ask for a [detailed quote](#).

** Our Bidding Forms and Terms & Conditions are available in our printed catalogues. You may also download them online in numeric format (.pdf) on www.bagherawines.auction. Do please note that the information provided herein is not contractual and cannot be considered as a substitute for the full terms of sale.*
