So let it snow, let it snow, let it snow !
This magnificent song, known all around the world thanks to the various versions by the famous duo Frank Sinatra and Dean Martin, was originally written just after the end of the Second World War, under the hot skies of June 1945...

As the year 2023 draws to a close, let us pray for peace and sharing, and for all those moments – great or small – spent over a good meal with family or friends, but also for new encounters and open-mindedness... And what could be better than a fine bottle of wine, whatever the region, the vintage or the price, as long as it brings smiles and pleasure?

I can tell you that here at Baghera/wines we have thoroughly enjoyed putting together this December sale, the last sale of the year, made up of wines from three independent cellars. We are, of course, very familiar with the wines, whose provenance and conservation are absolutely perfect, especially since the vast majority were bought directly from the estates/châteaux. You can delve in with absolute confidence.

I'll leave it to you to explore the wines from these magnificent cellars, which will be the stuff of dreams for Swiss wine lovers; great Burgundies with some magnificent mature assortments from Domaine de la Romanée-Conti as well as a splendid vertical of Clos de Tart that is over 25 years old, wines from Domaine Ghislaine Barthod to be discovered, not forgetting Bordeaux with the rare cases of Duclot, including the highly sought-after Carré d'As 2000 in magnum form, along with a few gems from Emmanuel Reynaud...

So if these few lines haven't convinced you to get your corkscrew ready at once, I hope they will at least leave you with this delightful refrain in your ears and a smile on your face.

Let it snow, let it snow, let it snow!

Warm regards, Michael

guide for bidders

online live bidding

Place your bids in real time through our online live bidding platform. Please register ahead of the date and connect to www.bagherawines.com on the day of the sale and follow the guide. *B/Live*, Baghera/wines' live auction platform, will relay your bids and give you the opportunity to live the sale as if you were attending it in person. Feel the atmosphere in the room, follow the auction's excitement and place your bids at your convenience – your bids will be instantly relayed to the auctioneer.

B/Live is accessible from computers and mobile devices, all you need is to ensure that your connection is sufficient to support live video streaming. If not, you will still be able to bid live (without the video) as the current bid and next increment will be visible on the screen.

You will need to register at least 48h prior to the sale on www.bagherawines.com to ensure registration is complete before the sale, and confirmed. You will be able to enter the sale and place your bids at your convenience. Please note that credit controls apply on these bids.

absentee bids

Leave your absentee bids ahead of the sale on our website and online-catalogue. Connect to www.bagherawines.com. You will need to register at least 48h prior to the sale on www.bagherawines.com to ensure registration is complete and your absentee bids are confirmed.

You may also give Baghera/wines instructions to bid on your behalf by writing to office@bagherawines.com. Our staff members will then try to purchase the lot(s) of your choice for the lower price possible. Please note this service is free, totally confidential and offered as a convenience to clients. Although our representative will make every effort, Baghera/wines will not be responsible for error or failure to execute bids.

buyer's premium

The maximum bid price that you provide during your bidding process is the hammer price only. If you are successful on a lot, a **buyer's premium of 22%** will be added to the hammer price for each lot you buy. The successful bidder is responsible for any VAT that may arise on the hammer price and the buyer's premium. VAT charges and refunds depend on the particular circumstances of the buyer. It is the buyer's responsibility to ascertain and pay all taxes due. VAT is payable on the buyer's premium and, for some lots, VAT is payable on the hammer price. In all circumstances Swiss law takes precedence.

successful bids

Successful bidders will be notified and invoiced within a few days of the sale.
