## BORDEAUX'S POETICAL SPRING

While the pruning of the vines comes gradually to an end in the Bordeaux vineyards, the South wind brings warmth and announces the coming of Spring.

At the doors of Bordeaux, Nature invites us to experience the Awakening. Let us stride through the freshness of the morning mist, observe the tears of sap appearing on the tips of the pruned branches, discover the first buds bursting into life after the vine's winter rest and feel the caress of the setting sun on the aristocratic-trained vines, full of promise. Soon, in a few weeks time, the fascinating *Vitis Vinifera* will enter a new era of its annual cycle: the future flowering and fruit-set paving the way to the grape's birth and future conversion into the "nectar of the gods".

Just like the perpetual renewal of the vine, consistency and surprises will be the hallmarks of Baghera's Spring Wine o'clocks.

Thus, I have the tremendous pleasure to introduce our *"Bordeaux Terroirs"* Wine o'clock sale. This Swiss private collection presents a selection of the finest Bordeaux appellations and some rarities that lovers of mature wine will definitely appreciate. Pétrus, Margaux, Mouton Rothschild, Haut-Brion... these names ring out through our passion for wine. Furthermore, this Wine o'clock is a great opportunity to bargain-hunt some carefully selected clarets (many offered in their original wooden cases). Amongst them: Vieux Château Certan, Pichon Comtesse, Pavie, Figeac, Montrose, Mission-Haut-Brion, Cos d'Estournel, Ducru-Beaucaillou, Lynch-Bages... from the 1980s, 1990s and 2000s.

*"Bordeaux Terroirs"* Wine o'clock will start at 2pm precisely on Tuesday 14<sup>th</sup> of March (Swiss time!). Be on time, it will go fast and us Swiss don't mess with time!

VOTRE MOT DE PASSE ICI...

—1—

## Pre-register !

In order to be able to take part in the Wine o'clocks, you must pre-register before they take place. After your registration is validated (which takes a maximum of 12 hours), you have your personal login details, which will enable you to get involved with all the Baghera Wine o'clocks. These details will also give you access to your personal client account, so that you know your purchase amounts for each sale you participate in.

—2—

## Make your choice !

A few days before the date of the sale, the catalogue can be accessed on the website. Browse this online catalogue. For each lot, it shows you a definitive list, detailed descriptions of the wines and high-definition photos, too.

—3—

## Make your bid !

At this stage, you can enter your bids at a set price if you cannot log in during the sale. These bids will be executed during the sale, on your behalf. In the event where 2 bids were left at the same price, priority will be given to whichever was received first.

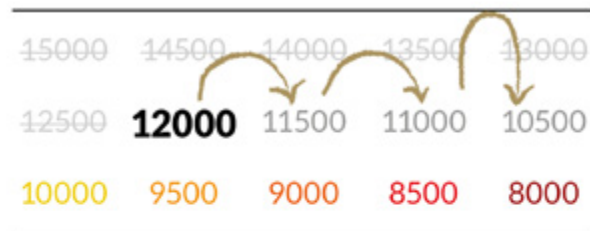

—4—

## Get ready !

On the specific date and time of the Wine o'clock, lots are put up for sale. Each lot is announced with a high price and a low price.

—5—

Tic...

Bids start at the high price, and fall progressively to the low price, in regular decrements. These decrements succeed each other, at the same frequency, and are displayed on your screen.

—6—

Tac...

The countdown displayed at the top of the screen shows you the number of seconds before the next decrement, falling to the lower price. A reminder of the current decrement amount is shown just below.

—7—

Click it!

The first user to click on "Buy" wins the auction. However, written bids placed and recorded by other bidders have precedence over live bids .

—8—

Keep going!

The next lot is then offered under the same principle, until the last lot has been auctioned.

—9—

## Congrats!

If you have won one or several lots during the sale (live or following absentee bid orders), you receive – once the sale has finished – an email summarising your purchases (information also available in your personal client account).

—10—

## Thank you!

Baghera Wines will then contact you for invoicing and delivering your wines. Please note that a buyer's premium of 20% (exc. VAT) will be added to the final bid price for each lot you win during these Wine o'clock sales.

CONDITIONS OF SALE

## CONDITIONS OF SALE

These conditions of sale govern the contractual relations between Baghera Wines Auction & Trading SA ("Baghera Wines"), the seller whose details are indicated in the Sales Commission document ("Seller"), any participant in the auction or traded or over-the-counter, as well as any bidder and the highest bidder, excluding contractual relations between Baghera Wines and the Seller.

In case of conflict between these conditions of purchase and the terms and conditions of sale, the general terms and conditions of sale shall prevail. In the event of conflict between the English and French versions of these purchase conditions, the French version (available on bagherawines.com) shall prevail. These purchase conditions can be modified at any time, in writing or orally during the sale. By participating in any capacity whatsoever in an auction or a private sale organised by Baghera Wines discretion, you agree to be bound by these conditions of purchase.

### 1. AUCTION PROCEDURE

Baghera Wines organises only online sales called 'Wine o'Clock'. These sales are processed automatically.

### 2. BUYER

The first customer to click at any bid step (the "Buyer") stops the sale of the concerned lot and wins the bid on the lot of items (the "lot").

### 3. TRANSFER OF RISK AND PROPERTY

Once awarded to the Buyer, the risks and ownership of the lot pass to the Buyer.

### 4. ABSENTEE BIDDING

If a customer is unable to participate at the auction online, he still has the possibility to leave absentee orders on Baghera Wines website prior to the sale.

Baghera Wines reserves the right in its sole discretion, to refuse bids from a buyer's instructions in case the information and documents submitted as proof of identity, i.e. the identity of the beneficial owner, should prove to be false, incomplete, ambiguous or inadequate.

### 5. TERMS OF AUCTION

The bid steps decrease from high to low estimate of the lot. All lots have 16 bid steps lasting for 10 seconds. The first bidder to click at any step stops the sale of the concerned lot and wins the lot. There is no possibility to outbid this lot.

If no one bids on the lot and once the 10 seconds of the last step are passed the sale of the lot ends. Then the sale of the next lot begins. The lots are sold one at a time according to the catalogue order.

The Seller as well as any person instructed by the former cannot bid on their own lots.

### 6. ESTIMATE

The estimate of each lot is based on prices reached during previous auctions for similar lots. It is subject to change and does not constitute any guarantee or indication of the actual final sale price. The estimate does not include costs such as the buyer's commission or VAT.

### 7. RESERVE PRICE

The reserve price is the confidential minimum price at

which the Seller agrees to sell the Lot. If the reserve price is not reached, Baghera Wines may reject the last bid and set a new starting price equal to or above the reserve price. In case no bid matches or is above the reserve price, Baghera Wines shall withdraw the lot without adjudging it to anyone. Baghera Wines, however, reserves the right to organise a private sell after the auction, in which case the price shall not be lower than the reserve price, subject to agreement by the Seller for a price below the reserve price.

### 8. BUYER'S PREMIUM AND PRICES

The buyer's premium is 20% plus 8% Value added tax (VAT) on the hammer price and buyer's premium. The total amount of the hammer price of each of lot purchased, plus the buyer's premium, plus VAT is the final price.

This tax (VAT) is refunded to any buyer domiciled outside Switzerland if, but only if, Baghera Wines receives from such buyer an export declaration in respect of a purchased lot which has been stamped by Swiss customs.

Buyers from outside Switzerland should note that local sales taxes or use taxes may become payable upon import of items following purchase. Buyers should obtain their own advice in this regard.

### 9. EXCHANGE RATES

In some auctions, in order to ensure proper information for the Buyer, a currency converter is made available. The data displayed are provided for information only and Baghera Wines assumes no responsibility in this regard.

### 10. PRE-AUCTION VIEWING

Prospective buyers are encouraged to inspect the

property at the pre-sale viewing, which can be attended at no charge by appointment only (please contact office@bagherawines.com).

Bidders accept responsibility for carrying out inspections and investigations, during previewing, to satisfy themselves as to the lots in which they may be interested. Baghera Wines may also provide condition reports. The absence of reference to the condition of a lot in the catalogue description does not imply that the lot is free from faults or imperfections.

### 11. NO WARRANTY

Baghera Wines only acts as agent to the Seller. The sale is passed directly between the Seller and the Buyer. Baghera Wines shall not be responsible for any defects in the lots nor do we guarantee the accuracy of the information concerning the producer, origin, date, age, authenticity, provenance, weight or condition of any Lot. None of Baghera Wines agents have authority to give any guarantees in this respect.

All statements made in catalogues, advertisements or brochures concerning Baghera Wines sales only express opinions and are no guarantee from Baghera Wines or the Seller.
