## OUT OF BURGUNDY

2019: January, February, March... on the road again!

While I hit the road to Burgundy to pay visits to my clients on a weekly basis – lucky me! – I never tire of the astonishing landscape offered there, regardless of the weather conditions. The so singular topography of the *Côte* has been shaped by the successive geological eras and the resulting mosaic of *terroirs* it offers to the planted vines fully embodies the Burgundian *climat* model and its illustrious crus.

Dear lovers of the finest Burgundies, this "*Out of Burgundy*" wine o'clock sale is a rare opportunity to build up your wine cellars with the most desirable Côte de Nuits wines and producers. This sale is also another occasion for me and all the wines aficionados to pay our tribute, once again, to the women and men of the vine whose work contributes to offer the world the excellence of their wine-making *savoir-faire*, conceived in monastic times and enhanced ever since by women and men of the sort...

53 lots, 5 wine-estates: Domaine Georges Roumier, Domaine Armand Rousseau, Domaine de la Romanée-Conti, Domaine Prieuré-Roch, Bouchard Père & Fils.

Amongst the many highlights of this sale, 2 private collections featuring wines from A. Rousseau & G. Roumier and Domaine de la Romanée-Conti, whose wines were purchased by the vendors directly at the Domaines. Needless to say that their preservation is absolutely stunning and that they would enchant all Burgundy lovers.

The sale highlights include verticals of Roumier Bonnes-Mares 2014 to 2007 and Chambolle-Musigny les Combottes 2013 to 2008, DRC Assortments in their original cases (recently unsealed for photography and inspections) from 2002 to 1999 in bottles and magnums, Prieuré-Roch Clos Goillotte 2007 and Chambertin Clos de Bèze 2009, La Romanée Bouchard 1978, 1989 and 1990, and last but not least, verticals from Armand Rousseau's Chambertin Clos de Bèze from 2006 to 2014 and Gevrey-Chambertin Clos Saint-Jacques from 2005 to 2014.

Our "*Out of Burgundy*" wine o'clock will start at 2pm precisely on Tuesday 9th of April (Swiss time!). Be on time, it will go fast and us Swiss don't mess with time!

A row of wine bottles, each protected by a glass cloche. The bottles are of various colors (green, dark) and have white labels. Some labels have humorous tags attached to them with gold chains. The tags read: "AMAZING", "SPLENDID", "DRINK ME", and "PLEASE DON'T TOUCH ME". The bottles are on a white surface, and the background is blurred.

MOT DE PASSE

VOTRE MOT DE PASSE ICI...

## —1— Pre-register!

In order to be able to take part in the Wine o'clocks, you must pre-register before they take place. After your registration is validated (which takes a maximum of 12 hours), you have your personal login details, which will enable you to get involved with all the Baghera Wine o'clocks. These details will also give you access to your personal client account, so that you know your purchase amounts for each sale you participate in.

## —2— Make your choice!

A few days before the date of the sale, the catalogue can be accessed on the website. Browse this online catalogue. For each lot, it shows you a definitive list, detailed descriptions of the wines and high-definition photos, too.

## —3— Make your bid!

At this stage, you can enter your bids at a set price if you cannot log in during the sale. These bids will be executed during the sale, on your behalf. In the event where 2 bids were left at the same price, priority will be given to whichever was received first.

## —4— Get ready!

On the specific date and time of the Wine o'clock, lots are put up for sale. Each lot is announced with a high price and a low price.

—5—  
Tic...

Bids start at the high price, and fall progressively to the low price, in regular decrements. These decrements succeed each other, at the same frequency, and are displayed on your screen.

—6—  
Tac...

The countdown displayed at the top of the screen shows you the number of seconds before the next decrement, falling to the lower price. A reminder of the current decrement amount is shown just below.

—7—  
Click it!

The first user to click on "Buy" wins the auction. However, written bids placed and recorded by other bidders have precedence over live bids.

—8—  
Keep going!

The next lot is then offered under the same principle, until the last lot has been auctioned.

—9—  
**Congrats!**

If you have won one or several lots during the sale (live or following absentee bid orders), you receive – once the sale has finished – an email summarising your purchases (information also available in your personal client account).

—10—  
**Thank you!**

Baghera Wines will then contact you for invoicing and delivering your wines. Please note that a buyer's premium of 20% (exc. VAT) will be added to the final bid price for each lot you win during these Wine o'clock sales.

**Happy clicking!**

CONDITIONS OF SALE

# CONDITIONS OF SALE

These conditions of sale govern the contractual relations between Baghera/wines Auction & Trading SA (“Baghera/wines”), the seller whose details are indicated in the Sales Commission document (“Seller”), any participant in the auction or traded or over-the-counter, as well as any bidder and the highest bidder, excluding contractual relations between Baghera/wines and the Seller.

In case of conflict between these conditions of purchase and the terms and conditions of sale, the general terms and conditions of sale shall prevail. These purchase conditions can be modified at any time, in writing or orally during the sale. By participating in any capacity whatsoever in an auction or a private sale organized at Baghera/wines’ discretion, you agree to be bound by these conditions. You should therefore read them carefully before doing so.

## 1. BUYER

Baghera/wines organises only online sales called ‘Wine o’Clock’. These sales are processed automatically.

## 2. AUCTION PROCEDURE

The first customer to click at any bid step (the “Buyer”) stops the sale of the concerned lot and wins the bid on the lot of items (the “lot”).

## 3. TRANSFER OF RISK AND PROPERTY

Once awarded to the Buyer, the risks and ownership of the lot(s) pass to the Buyer.

## 4. ABSENTEE BIDDING

Baghera/wines can place bids on customers’ instruction, if you are unable to attend the auction in person, Baghera/wines and its employees or agents cannot be held responsible for failure in the transmission of these instructions during the auction.

In the case where two identical bidding instructions match the highest bidding, the lot will be awarded to the first bidder. Baghera/wines reserves the right in its sole discretion, to refuse bids from a buyer’s instructions in case the information and documents submitted as proof of identity, i.e. the identity of the beneficial owner, should prove to be false, incomplete, ambiguous or inadequate.

## 5. TERMS OF AUCTION

The bid steps decrease from high to low estimate of the lot. All lots have 10 bid steps lasting for 3 seconds.. The first bidder to click at any step stops the sale of the concerned lot and wins the lot. There is no possibility to outbid this lot. If no one bids on the lot and once the 10 seconds of the last step are passed the sale of the lot ends. Then the sale of the next lot begins. The lots are sold one at a time according to the catalogue order. The Seller as well as any person instructed by the former cannot bid on their own lots. Only Baghera/wines may bid on behalf of the Seller.

## 6. ESTIMATE

The estimate of each lot is based on prices reached during previous auctions for similar lots. It is subject to change and does not constitute any guarantee or indication of the actual final sale price. The estimate does not include costs such as the Buyer’s premium and additional costs (refer to section 8. below).

## 7. RESERVE PRICE

The reserve price is the confidential minimum price at which the Seller agrees to sell the Lot. If the reserve price is not reached, Baghera/wines may reject the last bid and set a new starting price equal to or above the reserve price.

In case no bid matches or is above the reserve price, Baghera/wines shall withdraw the lot without adjudging it to anyone. Baghera/wines, however, reserves the right to organise a private sell after the auction, in which case the price shall not be lower than the reserve price, subject to agreement by the Seller for a price below the reserve price.

## 8. BUYER’S PREMIUM AND ADDITIONAL COSTS

The buyer’s premium is 20% plus 7,7% Value added tax (VAT) on the hammer price and buyer’s premium. The total amount of the hammer price of each of lot purchased, plus the buyer’s premium, plus VAT is the final price to acquire the lot(s).

Please note that other taxes may arise after collection of the goods. This tax (VAT) is refunded to any buyer domiciled outside Switzerland if, but only if, Baghera/ wines receives from such buyer an export declaration in respect of a purchased lot which has been stamped by Swiss customs.

All buyers should note that local sales taxes or use taxes may become payable upon import of items following purchase. Buyers should obtain their own advice in this regard.

## 9. EXCHANGE RATES

In some auctions, in order to ensure proper information for the Buyer, a currency converter is made available. The data displayed are provided for information only and Baghera/wines assumes no responsibility in this regard.

## 10. PRE-AUCTION VIEWING

Prospective buyers are encouraged to inspect the property at the pre-sale viewing, which can be attended at no charge by appointment only (please contact office@bagherawines.com).

Bidders accept responsibility for carrying out inspections and investigations, during previewing, to satisfy themselves as to the lots in which they may be interested.

Baghera/wines may also provide condition reports. The absence of reference to the condition of a lot in the catalogue description does not imply that the lot is free from faults or imperfections.

## 11. NO WARRANTY

Baghera/wines only acts as agent to the Seller. The sale is passed directly between the Seller and the Buyer. Baghera/wines shall not be responsible for any defects in the lots nor do we guarantee the accuracy of the information concerning the producer, origin, date, age, authenticity, provenance, weight or condition of any Lot. None of Baghera/wines agents have authority to give any guarantees in this respect.

All statements made in catalogues, advertisements or brochures concerning Baghera/wines sales only express opinions and are no guarantee from Baghera/wines or the Seller. All persons concerned are expected to inquire before the auction, about the description and condition and of the lots and of possible defects or possible damage or repairs which have been, or need to be, carried out.

## 12. BIDDERS REGISTRATION

Bidders who have not previously participated in a Baghera Wines as a buyer or seller must register with Baghera Wines prior to the auction, or on the day of the sale, at least 30 minutes before the start of the sale at the place of sale.

Prospective buyers who would bid for the first time with Baghera/wines are asked to provide the following documents, at least 48 hours in advance, in order to give Baghera/wines enough time to process and approve the registration for the auction :

- Individuals: government-issued photo identification (such as a driving licence, national identity card, or passport) and, if not shown on the ID document, proof of current address, for example a utility bill/bank statement.
- Corporate clients: a recent copy (under 3 months old) of the company register.
- For other business structures such as trusts, offshore companies or partnerships, please contact Baghera/wines’ CFO ( fjaquillard@bagherawines.com ) for advice on the information you should supply.

- Persons registering to bid on behalf of someone who has not previously bid or co-signed with Baghera/wines should bring identification documents not only for themselves but also for the party on whose behalf they are bidding, together with a signed letter of authorisation from that party.

Please note, Baghera/wines is entitled to request a deposit in CHF in order to ensure the bidders’ final registration. If the bidder is unsuccessful and does not owe Baghera/wines any debt, the deposit will be refunded (i.e. the received CHF amount) in full, 7 days after the sale. Baghera/wines is entitled to change the deposit pre-registration procedures and requirements at their own discretion without prior notice.

## 13. BIDDER RESPONSIBILITY

When bidding, the person assumes personal accountability to pay the price and any other applicable taxes or charges, unless it has been explicitly agreed in writing with Baghera/wines, prior to the auction, that the bidder only acts as an agent on behalf and in the name of an third party, acknowledged and accepted by Baghera/wines, and that the said party shall be solely responsible for payment of the Price. All lots sold will be invoiced to the name and address to which the paddle has been registered and invoices cannot be transferred to other names and addresses. The sale is conducted in Swiss francs. Any other amounts shown in this catalogue and on the currency converter are for guidance only and are not legally binding. Baghera/wines declines all responsibility for any mistakes on the currency converter. When bidding, the person assumes personal accountability to pay the price and any other applicable taxes or charges, unless it has been explicitly agreed in writing with Baghera/wines, prior to the auction, that the bidder only acts as an agent on behalf and in the name of an third party, acknowledged and accepted by Baghera/wines, and that the said party shall be solely responsible for payment of the Price. If your bid is successful, you will be notified the day following the sale by email.

## 14. SALE RESULTS

Results for the sale are available upon request. Baghera/wines cannot accept liability for any errors or omissions, howsoever caused. Sellers should await their settlement statement as confirmation of any sold proceeds.

## 15. PAYMENT OPTIONS AND DEADLINES

The price is payable in Swiss francs in the seven days following the sale. On the eighth day after the sale, interest at the rate of 1% per month will be added to the amount due.

Payment can also be made in foreign currencies with legal-tender status if that amount can be converted into Swiss francs at the value date of payment. To avoid any delay in releasing goods, prospective buyers should supply bank references before the auction. Please include your name and invoice number with your instructions to the bank. Please note that we reserve the right to decline payments received from anyone other than the buyer of record and that clearance of such payments will be required. All fees regarding bank transfers are at the buyer’s charge.

Payment can be made at the sale in cash, by credit card or charge card, or by bank transfer to :
