# Baghera/wines

AN EXPERTS OFFICE

---

Baghera/wines was established at the end of 2015 in Geneva by three passionate experts, who launched a specialized consultancy office exclusively dedicated to exceptional wines. Michael Ganne, Julie Carpentier and Francesco Lee joined forces, offering a new approach to high-end wine auctions, by placing cordiality and sharing at the very heart of the wine business.

Since then, Baghera/wines have become the European leading fine wine auctioneer, offering amongst other rarities, the “*Private cellar of Domaine Henri Jayer*” in June 2018, the world’s most important wine auction ever.

Alongside their auctions, the Baghera/wines team guides collectors in every dimension of highlighting a collection, focusing on tailor-made, one-to-one professional advice, outstanding wine sourcing and excellency.

In 2019 Baghera/wines opened their office in Hong Kong. In the Spring of 2020, Baghera/wines will be settling at the Hotel Beau-Rivage in Geneva, opening alongside its new office, a Fine Wines exclusive *Boutique* and a private *Club*.

### Michael Ganne

EXECUTIVE DIRECTOR

---

Michael Ganne is originally from the Médoc region near Bordeaux and naturally chose to dedicate himself to the wine business. Yet his unswerving taste for novelty spanned well beyond the great Bordeaux wines of his native land.

A graduate of the International Vine and Wine Office with a Master of Wine Management, Michael has visited more than twenty-four countries and met with the most influential people in the business.

A strong promoter of the great vintage bottles he unearths, Michael auctioned some of the most glamorous sales as Head of Continental Europe for the Wine Department at Christie's. Yet, relentlessly looking for new perspectives, Michael decides to found his own auction house, Baghera/wines, in 2015.

Since Baghera/wines' creation, we owe Michael the most impressive world records, including the biggest wine auction ever: “*Henri Jayer, The Heritage*” which he auctioned in June 2018, selling for CHF 34,5M.

### Julie Carpentier

DEPUTY DIRECTOR

---

Julie Carpentier's past is deeply rooted to the Loire valley. These regional origins may very well have given her the desire to take the plunge and work in wineries and vineyards. Yet it may simply have been the encounter with her husband-to-be, an accomplished winemaker...

In a former life, Julie studied Art and Archaeology at the École du Louvre before joining Christie's Wine Department as Wine Specialist, where she dedicated her expertise to fine wines. Also a graduate from WSET, Julie has shown a remarkable understanding of native varietals together with an overall taste for exceptional and unique *crus*.

Thus, when Michael asked her to join him in the creation of Baghera/wines, she did not hesitate to be part of the venture as Deputy Director, heading the team. Having developed strong ties with Domains, especially in Burgundy, Julie enjoys meeting vintners and people of the vine, pursuing her defense for the recognition and promotion of the art of winemaking.

### Francesco Lee

DIRECTOR ASIA

---

An early passionate, following his “soul of wine”, Francesco is a true enthusiast. Having travelled far and wide and tasted many legendary wines, he has shared his in-depth knowledge with connoisseurs worldwide and collectors for many years.

Originally working as an equities research analyst in a French investment bank, Francesco changed his career to the wine industry, joining Christie's as Senior Wine Specialist and Associate VP in 2008, where he co-organized, amongst others, the Château Latour ex-cellar sale in 2011 in Hong-Kong.

Catching up on their mutual passion for fine wines, Michael and Francesco joined forces to develop and strengthen Baghera/wines' presence throughout Asia. A fervent amateur of European culture and of exceptional French wines especially, Francesco loves bringing people and continents together over the finest *crus*.

An Agricultural Engineer graduated from the Madrid University, Pablo chose to follow his passion for the wine industry and specialise in crop science with emphasis on viticulture and œnology.

With his technical and analytical mindset combined with his passion for fine wines, Pablo joined Baghera/wines in 2019 as Wine Specialist within the team.

At his early career stages, Pablo gained financial knowledge by working several years in Private Equity. But his always increasing curiosity led Pablo to continue learning about the wine business by studying at the WSET. Combined with his other passion fine dining, he has been travelling around the world visiting some of the most prestigious wineries and restaurants.

## TEAM

### Olivia Bouët-Willaumez

ART DIRECTOR

An artist's daughter and grand-daughter, of British and French origins, Olivia has always been sensitive to the intricate geography of signs. Brought up in a multicultural artistic environment on 2 languages, classical music, jazz, PG tips tea, ponies, cats&dogs and books, she fell in love with Hitchcock's œuvre at an early age and decided to study Dramatic Art in the United Kingdom. She later pursued her acting training in Paris and Moscow and worked as an actress for the theater and cinema for fifteen years.

Family heredity compellingly made its way back, as the atavic urge for drawing and all things graphic sprung up again. Whether sketching portraits on paper tablecloths in restaurants or in her countless notebooks at the terraces of literary cafes in Paris, the fascination for signs on paper led Olivia to join some of the largest publishing houses in Paris and French press groups.

Michael invited her to join Baghera/wines as Art Director in 2015 and she has since signed Baghera's graphic identity and catalogues.

### Émilie Drouin

CONTENT & PRESS OFFICER

Emilie studied political science at the IEP of Bordeaux and at the CELSA, the Sorbonne school of communication. She began her career in communication in Paris where she worked for international companies such as Thalys Trains, the Carrefour group and EasyJet.

Her passion for digital technology took Emilie to Switzerland in 2014, where she published a creative blog and studied for a Diploma in Web Project Management at the SAWI, Lausanne, which she obtained in 2016.

It was at this time that she met Michael Ganne and Julie Carpentier who were seeking support for communication and press relations at Baghera/wines. Inspired by the challenge of the company's international reach and the passion of its founders, she joined the “*Master Cellar*” sales team in June 2016.

## FOREWORD

# “The unique cellar of a visionary wine collector”

BY MICHAEL GANNE

*“I have had a most rare vision.*

*I have had a dream, past the wit of man to say what dream it was...”*

William Shakespeare, 'A Midsummer Night's Dream' (1595-6) act 4, sc. 1

It is with a feeling of immense privilege that we present to you what is surely one of the most magnificent wine cellars in the world. It celebrates rarity and history in a unified assemblage. This distinguished collection reflects the orderly and meticulous character of its collector who through extensive knowledge and exquisite taste has created a treasure trove that rightly can be defined as “visionary”. Many components comprise this evaluation. One is the memory of “first love”. The collector confided that early on he remembers the consummate pleasure of tasting a bottle of *La Tâche* 1947. I too have tasted this vintage and can concur heartily. Quality, rarity, a taste for the exceptional are factors that guide the epicurean as well as the art collector. This passion and knowledge of forty years of collecting wine has culminated in these unique jewels which are offered to you today.

This sale thus presents additionally an impressive array of large formats. Methuselaha and Jeroboams are unquestionably rarities amongst rarities, evanescent, fleeting objects of desire in an ever volatile world.

Other impossible-to-find vintages complete the collection, many in original wooden cases. Thirteen Methuselaha or Imperiale format (6 liters), nine Jeroboam formats (4.5 liters), fifty-five Jeroboams or Double-Magnum formats (3 liters), six hundred and fourteen magnums and one

thousand two hundred and one bottles from the greatest Domaines and Châteaux give the scope of this impressive heritage that we now give you the opportunity to discover.

Each bottle offers perfect provenance and traceability, verified invoice by invoice. A large majority of the Bordeaux wines were purchased directly from the official local distributors and picked-up from the châteaux (Cheval Blanc, Haut-Brion, Lafite-Rothschild, Latour, Lynch-Bages, Margaux, Mouton-Rothschild and Pichon Longueville Comtesse). A vast majority of the Domaine de la Romanée-Conti wines were purchased directly from the official local distributor. All these measures further insure unquestioned provenance. In Geneva, the wines, in order to gain maturity, have resided in an ideal condition of conservation in an ambience of controlled temperature and humidity. A broad selection of the wooden cases present in the sale have been photographed and appear in a dedicated index at the end of this catalogue.

The joy of a wine collection is the ability to share and savor its treasured components with others. And you now have the unprecedented opportunity to perpetuate the pleasures of the senses and inextricable sociability in a collection clearly wrought from love.

Warmest regards, Michael

## What's new ?

---

With a turnover of more than CHF 70 million since its creation at the end of 2015, Baghera/wines has become the European leader in the auction of exceptional wines, ahead of a number of historical houses.

In addition to the organisation of auctions and tastings, Baghera/wines continues to develop and diversify in the promotion of exceptional wines.

# 1

---

## “Auctions”

---

Baghera/wines organises two types of auction: room auctions and “*Wine o'clocks*”.

Twice a year, a room auction is presented, each a unique event telling the story of a heritage – be it that of an illustrious domain, a rare collection or a legendary vintner. A catalogue is published for the occasion, a true treasure chest, inspired and prestigious to perfectly compliment and enhance the bottles offered for sale.

“*Wine o'clocks*” are regular and fast online auctions that take place every second Tuesday of the month. They run on the principle of *dial sales* in which the price of lots drops in a limited time. This is an opportunity for Internet users all over the world to acquire great wines, in seconds, at the right price and with a single click.

For all its auctions, Baghera/wines offers a highly qualitative selection of fine wines, elegantly presented in thematic collections and available in e-catalogues, and on a secure, easy-to-use auction platform.

# 2

---

## “Events”

---

Baghera/wines designs and organises several prestigious events throughout the year to celebrate the greatest wines. These events are usually held in Geneva or sometimes further afield, in Burgundy or elsewhere...

“*Wine & Music*” evenings, thematic tastings in small groups to broaden one's knowledge of a domain, a vintage, an appellation (vertical, horizontal, ...), Baghera/wines style *Paulées* (traditional Burgundy meals) and delightful dinners presented in collaboration with Michelin-starred restaurants such as Maison Troisgros, are just some of the festive occasions that we have the pleasure to offer you.

For these unique occasions, we put all our experience at your service in selecting with care great wines of old, rare and sought-after vintages. Every moment is crafted to make your experience special, your evening warm and friendly.

# 3

---

## “Club”

---

In the heart of Geneva's most beautiful neighbourhood, a new club will soon be established on the ground floor of the historic Beau-Rivage Hotel. A private, high-class setting with a mellow and timeless atmosphere harbouring the greatest wines in the world. Reserved for a limited number of members, this club-lounge is dedicated to culinary and œnological pleasures in a warm and exclusive environment that combines discretion, rarity and privilege.

The *Club* is an opportunity for lovers of fine wines to meet and to share their impressions, perhaps to exchange bottles and to savour wine in a relaxed atmosphere, a *home from home*.

Tailor-made themed events are organized throughout the year for members who will also appreciate the Michelin-starred cuisine of Le Chat Botté restaurant and secure personal storage for their own personal collection.

A haven where one can simply disappear for a few hours, and the ideal environment for receiving customers and business partners alike, throughout the year.

# 4

---

## “Boutique”

---

In the Spring of 2020, the brand new Baghera/wines *Boutique* will open in the heart of the Hotel Beau-Rivage in Geneva. An evolutionary scenographic setting, highlighting in turn the winegrowers who make up the world of exceptional wines. Open 11am to 6pm Monday to Friday.

A luxurious space dedicated to the purchase of fine wines, the *Boutique* will offer a discerning limited choice of great bottles. Enthusiasts will benefit from tailor-made advice to complement their cellars with rare vintages or to choose wines for special occasions.

# 5

---

## “Cellar”

---

Since the autumn of 2019, Baghera/wines has been working with restaurateurs in Geneva, to sublimate the finest Swiss gastronomic talent.

The *Cellar* project offers to promising young chefs a fine wine list chosen with care by the experts at Baghera/wines, which complements the restaurant's original wine menu, while remaining consistent with the establishment's cuisine.

A genuine wine cellar on consignment, available to our partner restaurants in Geneva, *Cellar* offers wine enthusiasts the opportunity to taste rare vintages, sought-after appellations and bottles which are impossible to find on the market, and all this at selling prices in line with the market.

# inspection criteria

## DESCRIPTION

Baghera/wines indicates conditions of the lots according to four criteria: capsules, corks, labels and levels.

Even with the best of care, labels may be stained or damaged because wines are stored in damp conditions. Such storage conditions are beneficial to the preservation of the wines. It is our duty to catalogue and report on wines as accurately as possible at the time of going to press. High resolution photographs are available upon request. The actual condition of the wine within the bottle is not necessarily linked to its outward appearance. You are strongly advised to examine any lot you are interested in before the sale to form your own opinion (or have it examined on your behalf).

## CORKS AND ULLAGES

Ullage refers to the space between the base of the capsule and the wine itself. Acceptable ullage levels tend to increase with age. When speaking of Burgundy wines, commonly acceptable levels are as follows:

- Under 20 years old – less than 2,5cms
- 20 to 30 years old – up to 4 cms
- Over 30 years old – up to 6 cms

**In this catalogue, when stated "excellent levels", please read that the levels are 2,5cms or less.**

It should be noted that ullages may change between publication of the catalogue and the sale. This may be caused by the ageing of the cork or by a change in the temperature of the storage conditions or the shipment of the wine. We will only accept responsibility for descriptions of conditions at the time of print of this catalogue and cannot accept responsibility for any loss resulting from failure of corks either before or after this point.

## PARCELS

Same wines (producers, appellation, vintage, etc.) may be regarded as part of a parcel. The successful bidder on a lot in a parcel has the possibility to purchase each of the remaining unsold lots in this parcel at the same price, at the time of the bidding. Please note that, in this catalogue, a parcel notice is indicated by the numbers of its constitutive lots in the heading.

## CAUTIONARY NOTES

– Descriptions and estimates in this catalogue may be amended at our own discretion. Information is given orally or in writing, before or during the sale.

– Note that some producers tend to over-fill their bottles and a small quantity of wine may be trapped between the capsule and the cork and seep. This should not be confused with ullage (ullage is a natural occurrence in older wines).

## BURGUNDY FORMATS IN THIS SALE

# conditions of sale

These conditions of sale govern the contractual relations between Baghera/wines Auction & Trading SA (“Baghera/wines”), the seller whose details are indicated in the Sales Commission document (“Seller”), any participant in the auction or traded or over-the-counter, as well as any bidder and the highest bidder, excluding contractual relations between Baghera/wines and the Seller. In case of conflict between these conditions of purchase and the terms and conditions of sale, the general terms and conditions of sale shall prevail. These purchase conditions can be modified at any time, in writing or orally during the sale. By participating in any capacity whatsoever in an auction or a private sale organized at Baghera/wines’ discretion, you agree to be bound by these conditions. You should therefore read them carefully before doing so.

## 1. BUYER

The last bidder at the stroke of the gavel (the “Buyer”) wins the bid on the lot of items (the “lot”). In case of dispute between two or more bidders, the lot will immediately be relisted.

## 2. AUCTION PROCEDURE

The bailiff accepts bids from those present at the sale, phone bidders, online bidders as well as absentee bidders. The stroke of the gavel indicates the final bid awarding the lot to the Purchaser. The bailiff speaks out and records the name or number of the Buyer.

## 3. TRANSFER OF RISK AND PROPERTY

Once awarded to the Buyer, the risks and ownership of the lot(s) pass to the Buyer.

## 4. ABSENTEE BIDDING

Baghera/wines can place bids on customers’ instruction, if you are unable to attend the auction in person, Baghera/wines and its employees or agents cannot be held responsible for failure in the transmission of these instructions during the auction. In the case where two identical bidding instructions match the highest bidding, the lot will be awarded to the first bidder. Baghera/wines reserves the right in its sole discretion, to refuse bids from a buyer’s instructions in case the information and documents submitted as proof of identity, i.e. the identity of the beneficial owner, should prove to be false, incomplete, ambiguous or inadequate.

## 5. TERMS OF AUCTION

The bailiff has the right at its absolute discretion to refuse any bid, to advance the bidding as it may decide, to withdraw or divide any Lot, to combine any two or more Lots. Any bid must be at least 10% higher than the previous bid. The bailiff can, however, change this percentage during the auction. The Seller as well as any person instructed by the former cannot bid on their own lots.

## 6. ESTIMATE

The estimate of each lot is based on prices reached during previous auctions for similar lots. It is subject to change and does not constitute any guarantee or indication of the actual final sale price. The estimate does not include costs such as the Buyer’s premium and additional costs (refer to section 8. below).

## 7. RESERVE PRICE

The reserve price is the confidential minimum price at which the Seller agrees to sell the Lot. If the reserve price is not reached, Baghera/wines may reject the last bid and set a new starting price equal to or above the reserve price. In case no bid matches or is above the reserve price, Baghera/wines shall withdraw the lot without adjudging it to anyone. Baghera/wines, however, reserves the right to organise a private sell after the auction, in which case the price shall not be lower than the reserve price, subject to agreement by the Seller for a price below the reserve price.

## 8. BUYER’S PREMIUM AND ADDITIONAL COSTS

The buyer’s premium is 20% plus 7,7% Value added tax (VAT) on the hammer price and buyer’s premium. The total amount of the hammer price of each of lot purchased, plus the buyer’s premium, plus VAT is the final price to acquire the lot(s). Please note that other taxes may arise after collection of the goods. This tax (VAT) is refunded to any buyer domiciled outside Switzerland if, but only if, Baghera/wines receives from such buyer an export declaration in respect of a purchased lot which has been stamped by Swiss customs. All buyers should note that local sales taxes or use taxes may become payable upon import of items following purchase. Buyers should obtain their own advice in this regard.

## 9. EXCHANGE RATES

In some auctions, in order to ensure proper information for the Buyer, a currency converter is made available. The data displayed are provided for information only and Baghera/wines assumes no responsibility in this regard.

## 10. PRE-AUCTION VIEWING

Prospective buyers are encouraged to inspect the property at the pre-sale viewing, which can be attended at no charge by appointment only (please contact office@bagherawines.com). Bidders accept responsibility for carrying out inspections and investigations, during previewing, to satisfy themselves as to the lots in which they may be interested.

Baghera/wines may also provide condition reports. The absence of reference to the condition of a lot in the catalogue description does not imply that the lot is free from faults or imperfections.

## 11. NO WARRANTY

Baghera/wines only acts as agent to the Seller. The sale is passed directly between the Seller and the Buyer. Baghera/wines shall not be responsible for any defects in the lots nor do we guarantee the accuracy of the information concerning the producer, origin, date, age, authenticity, provenance, weight or condition of any Lot. None of Baghera/wines agents have authority to give any guarantees in this respect. All statements made in catalogues, advertisements or brochures concerning Baghera/wines sales only express opinions and are no guarantee from Baghera/wines or the Seller. All persons concerned are expected to inquire before the auction, about the description and condition and of the lots and of possible defects or possible damage or repairs which have been, or need to be, carried out.

## 12. BIDDERS REGISTRATION

Prospective buyers who would bid for the first time with Baghera/wines are asked to provide the following documents, at least 48 hours in advance, in order to give Baghera/wines enough time to process and approve the registration for the auction:

- **Individuals:** government-issued photo identification (such as a driving licence, national identity card, or passport) and, if not shown on the ID document, proof of current address, for example a utility bill/bank statement.

- **Corporate clients:** a recent copy (under 3 months old) of the company register.

- **For other business structures** such as trusts, offshore companies or partnerships, please contact Baghera/wines’ Accounting Department ([sales@bagherawines.com](mailto:sales@bagherawines.com)) for advice on the information you should supply.

- **A financial reference** in the form of a recent bank statement or a reference from your bank.

- **Persons registering to bid on behalf of someone** who has not previously bid or consigned with Baghera/wines should bring identification documents not only for themselves but also for the party on whose behalf they are bidding, together with a signed letter of authorisation from that party.

Please note, Baghera/wines is entitled to request a deposit in CHF in order to ensure the bidders’ final registration. If the bidder is unsuccessful and does not owe Baghera/wines any debt, the deposit will be refunded (i.e. the received CHF amount) in full, 7 days after the sale. Baghera/wines is entitled to change the deposit pre-registration procedures and requirements at their own discretion without prior notice.

## 13. BIDDER RESPONSIBILITY

### Bidding at Auction

Bids may be executed in person by paddle during the auction, in writing prior to the sale by telephone or by live bidding.

### Bidding in Person

To bid in person, you will need to register for and collect a numbered paddle before the auction begins. Proof of identity will be required. New clients are encouraged to register at least 48 hours in advance of a sale to allow sufficient time for us to process your information. All lots sold will be invoiced to the name and address to which the paddle has been registered and invoices cannot be transferred to other names and addresses. Please do not mislay your paddle; in the event of loss, inform the Sales Clerk immediately. At the end of the sale, please return your paddle to the registration desk.

### Bidding by Telephone

If you cannot attend the auction, you may bid live on the telephone with one of our multilingual staff members. This service must be arranged at least 72 hours in advance of the sale, especially if you wish to bid in a language other than English. We also recommend that you leave an emergency bid which we can execute on your behalf just in case we are unable to reach you by telephone. Please note that telephone bids may be recorded (by bidding on the telephone, you consent to the recording of your conversation). We suggest that you leave a maximum bid, excluding the buyer’s premium and VAT, which we can execute on your behalf in the event we are unable to reach you by telephone.

## Online Live Bidding – *Blive*

If you cannot attend the auction in person, you may bid online on our online live bidding platform, available on our website at [www.bagherawines.auction](http://www.bagherawines.auction). You must pre-register at least 36 hours before the start of the auction in order to be approved by our bid department. Please note that corporate firewalls may cause difficulties for online bidders. Baghera/wines’ *Blive* platform is available on mobile devices as well as computers.

## Absentee Bids

If you are unable to attend an auction in person, you may give Baghera/wines instructions to bid on your behalf. Our member of staff will then try to purchase the lot(s) of your choice for the lower price possible. Please note this service is free, totally confidential and offered as a convenience to clients who are unable to attend the sale. In the event of identical bids, the earliest received will take precedence. Although our representative will make every effort, Baghera/wines will not be responsible for error or failure to execute bids.

## Bidding Increments

Bidding generally opens with the low estimate and advances in increments of up to 10% subject to the auctioneer’s discretion. The auctioneer retains the right to call bids at his own discretion – bids steps are shown on the Guide for Absentee Bidders on page 360.

## Currency and Currency Converter

The sale is conducted in Swiss francs. Any other amounts shown in this catalogue and on the currency converter are for guidance only and are not legally binding. Baghera/wines declines all responsibility for any mistakes on the currency converter.

When bidding, the person assumes personal accountability to pay the price and any other applicable taxes or charges, unless it has been explicitly agreed in writing with Baghera/wines, prior to the auction, that the bidder only acts as an agent on behalf and in the name of an third party, acknowledged and accepted by Baghera/wines, and that the said party shall be solely responsible for payment of the Price.

The fall of the auctioneer’s hammer indicates the final bid. The auctioneer will call out and record the name or “paddle” number of the buyer. If your written bid is successful, you will be notified the day following the sale by email. Please note, bidding may be re-opened at the auctioneer’s discretion. The final bid is provisional until the end of the auction. The auctioneer is entitled to re-open the bidding at his discretion at any time before the end of the auction. At the end of the auction, the final bid becomes irrevocable.

## 14. SALE RESULTS

Results for the sale are available upon request. Baghera/wines cannot accept liability for any errors or omissions, howsoever caused. Sellers should await their settlement statement as confirmation of any sold proceeds.

## 15. PAYMENT OPTIONS AND DEADLINES

The price is payable in Swiss francs in the seven days following the sale. On the eighth day after the sale, interest at the rate of 1% per month will be added to the amount due. Payment can also be made in foreign currencies with legal-tender status if that amount can be

# conditions of sale (continued)

converted into Swiss francs at the value date of payment. To avoid any delay in releasing goods, prospective buyers should supply bank references before the auction. Please include your name and invoice number with your instructions to the bank. Please note that we reserve the right to decline payments received from anyone other than the buyer of record and that clearance of such payments will be required. All fees regarding bank transfers are at the buyer's charge. Payment can be made in Swiss francs at the sale in cash, by credit card or charge card, or by bank transfer to: **Beneficiary: Baghera Wines Auction&Trading SA, Geneva**

**Crédit Suisse, AG, CH-1211 Genève 70**

**IBAN: CH54 0483 5157 5226 21000 — Swift/BIC: CRESCHZ80A**

Please note that transactions should preferably be made by bank transfer. If you wish to pay in cash, please seek Baghera/wines' financial services for advice prior to making payment arrangements and contact our Accounting Department (sales@bagherawines.com) in order to comply with Swiss government regulations.

Baghera/wines will accept all major credit cards, American Express, Visa and MasterCard to pay for invoices. (A processing fee will apply). The successful bidder during the auction is solely responsible for payment to Baghera/wines. We will not accept payments for purchased lots from any party other than the buyer, unless otherwise agreed between the buyer and Baghera/wines prior to the sale. Goods can only be collected when payment has been cleared.

## 16. NON-PAYMENT

In case of non payment by the Buyer within seven days of the sale, Baghera/wines shall try their best to carry out the Seller's instructions as to the next steps and help them, when possible, to reach the price or if not, cancel the sale. All damages are expressly reserved. Notwithstanding the above, Baghera/wines expressly reserves the right at its discretion and expense of the Seller to accept special conditions of payment of the price, to take adequate measures for storage and/or lot insurance, to start or pursue any legal proceedings instituted by or against the Buyer on the terms and conditions that Baghera/wines considers appropriate, to take all necessary measures to recover the amounts owed by Buyer and, if possible, to return the lot to the Seller.

In case of non-payment or partial payment, Baghera/wines is entitled to terminate the contract with immediate effect, provided that it has served a warning to the Buyer to pay the requested amount within 10 days. In case of termination of the contract, the Buyer accepts to pay an indemnity corresponding to 10% of lot to Baghera/wines. The Buyer understands and expressly accepts that any amount already paid by the Buyer will be retained by Baghera/wines up to the amount of the indemnity.

## 17. PARTIAL PAYMENT

Any partial payment by the Buyer to Baghera/wines will be considered payment through direct deposit. In case of failure of the Buyer to pay the entire price of this deposit will be automatically collected and lot will be relisted by public auction or at a private auction or sale by private treaty at the discretion of Baghera/wines.

## 18. COLLECTION, SHIPPING, IMPORTATION AND STORAGE

Please refer to page 364 in this catalogue for detailed information regarding collection, shipping, importation and storage facilities. Please note that the Geneva Free Port is open from Monday to Friday from 8am to 11am and from 1pm to 4pm. Please note, that collection notice should be given at least 48h prior collection.

All the Lots are stored at Geneva Free Port and are in bond.

Please refer to the catalogues for storage location.

All lot(s) can be collected when Baghera/wines' full payment confirmation has been delivered to the buyer. Any property for which shipping arrangements or collection have not been made prior to this date will be assessed a monthly storage of CHF 100/palette/month and insurance charge of CHF 0,5/CHF 1'000/month.

For all buyers, a transit document will be needed to ship the wines. Destination VAT, excise duty, clearance charges are at the buyer's charge and cannot be cancelled or refunded by Baghera/wines. For buyers inside Switzerland, excise duty and clearance charges will be charged. VAT is already included in Baghera/wines' invoice.

Be informed that express shipping companies may refuse to issue transit documents, we strongly recommend using a professional wine carrier.

**Buyers are reminded that Baghera/wines accepts liability for loss or damage to uncollected lots until April 3rd 2020.**

## 19. RIGHT OF RETENTION AND DELIVERY

In order to avoid any errors in the auction process, to ensure the payment of invoices and to proceed to – where necessary and in accordance with legal and regulatory requirements – the required checks on the Buyer as well as the identity of the beneficial owner, No lot may be removed during the sale.

Baghera/wines is authorized to retain the lots until all amounts due to Baghera/wines have been paid in full or until the Buyer has performed all other obligations that Baghera/wines, at his discretion, considers due, including anti money laundering and counter financing of terrorism compliance.

In case a buyer does not meet the aforementioned checks to the satisfaction of Baghera/wines, the company will be entitled to cancel the sale and take any other action required or permitted by law. Shipping service will take place after reception of payment.

## 20. NON-COLLECTION OR NON-DELIVERY

In case the Buyer, having fulfilled all his obligations under these conditions of purchase, does not withdraw or fails to take delivery of the Lot, Baghera/wines will be entitled to, upon notification to the Buyer, relist the lot by way of auction or private sale, in their sole discretion, and charge the Buyer the entire storage costs, insurance and all other costs that may occur. Baghera/wines will have a right of retention on the lots until payment of all of these costs.

## 21. FALSE INFORMATION

If the information or documents provided by the Buyer on his identity or the identity of the beneficial owner prove to be false, incomplete, ambiguous or insufficient, Baghera/wines may, in their sole discretion, cancel the sale and pursue the fraudster. The Buyer will be responsible for all costs incurred.

## 22. BAGHERA/WINES'S AUTHENTICITY GUARANTEE

If Baghera/wines sells any wine which the Buyer subsequently shows to Baghera/wines' reasonable satisfaction to be a "counterfeit", subject to the terms below Baghera/wines will cancel the sale and refund to the Buyer the total amount paid by the Buyer (in the original currency). Definition: "counterfeit" means a wine that in Baghera/wines' reasonable opinion is an imitation created to deceive as to producer and vintage, where the correct description of the producer and vintage is not reflected by the description in the catalogue.

The Guarantee is provided for a period of fourteen (14) days from the date of the auction, for the sole benefit of the original Buyer and may not be transferred to any third party.

In order to claim under this Guarantee, the Buyer must:

(i) notify within 14 days Baghera/wines in writing of the reasons for believing the wine to be counterfeit. The buyer must specify the lot number and date of the sale at which it was purchased; and

(ii) return the lot to Baghera/wines in the same condition as at the date of sale to the Buyer and be able to transfer property title to the lot, free from any third party claims arising after the date of the sale.

Baghera/wines has discretion to renounce to any of the above elements. Baghera/wines may require the Buyer to obtain at the Buyer's cost the reports of two recognised and independent experts in the field, reciprocally acceptable to Baghera/wines and the Buyer.

Baghera/wines shall not be bound by any reports produced by the Buyer, and reserves the right to seek additional expert advice at its own expense.

On the assumption that Baghera/wines decides to cancel the sale under this Guarantee, the reasonable costs of two mutually approved independent expert reports may be refunded to the Buyer.

## HOW TO... *B*live

If you can not attend the sale in person, Baghera/wines' Live auction platform may relay your bids and give you the opportunity to live the sale as if you were attending it in person. Feel the atmosphere in the room, follow the auction's excitement

and place your bids at your convenience – your bids will be instantly relayed to the auctioneer.

**B/Live is accessible from computers and mobile devices**, all you need is to ensure that your connection is sufficient to

support live video streaming. If not, you will still be able to bid live (without the video) as the current bid and next increment will be visible on the screen.

**You will need to register at least 48h** prior the sale on [www.bagherawines.com](http://www.bagherawines.com).

**auktion** to ensure registration is complete prior to the sale and confirmed. You will be able to enter the sale and place your bids at your convenience. Please note that credit controls apply on these bids (please refer to page 357).

## ABSENTEE BIDS

If you are unable to attend an auction in person, you may give Baghera/wines instructions to bid on your behalf. Our staff members will then try to purchase the lot(s) of your choice for the lower price possible. Please note this service is free, totally confidential and offered as a convenience to clients who are unable to attend the sale. Although our representative will make every effort, Baghera/wines will not be responsible for error or failure to execute bids.

## HOW TO... PLACE ABSENTEE BIDS?

In order to place absentee bids, please use the dedicated form (see opposite) provided in this catalogue. Each bid form should contain the sale number. Please accurately record the lot number and the maximum price in Swiss francs you are willing to pay for each lot (please note that unlimited bids will not be accepted).

**Your bid form must be placed and sent** over to us as soon as possible. In event of identical bids, the earliest received will take precedence. Alternative bids may be indicated by using the word "OR" between lot numbers. As a result, if your bid on early lot is successful, our representative will not continue to bid on other lots on your behalf, or, if your early bids are unsuccessful, we will continue to execute bids for alternative lots until a bid is successful. It is important that your bids are listed in numerical order (as the lot numbers appear in the catalogue).

## HOW TO... PLACE TELEPHONE BIDS?

If you cannot attend the auction, you can place bids on the telephone. We also recommend that you leave a covering bid which we can execute on your behalf just in case we are unable to reach you by telephone. As the number of telephone lines are limited please make arrangements for this service at least 48 hours before the sale. Please note that Baghera/wines only offers telephone bids in French, English, Spanish, German and Chinese.

## BUYER'S PREMIUM

The maximum bid price that you indicate in your absentee bid form is the hammer price only. If you are successful on a lot, a **buyer's premium of 20%** will be added to the hammer price for each lot you buy. An additional VAT tax of 7,7% will be levied on the hammer price AND buyer's premium. The buyer's premium will be the amount stated in the "Conditions of Sale" printed on pages 356–359 of this catalogue.

**SUCCESSFUL BIDS**  
Successful bidder will be notified and invoiced within a few days of the sale.
