PASSION

Baghera/wines

AN EXPERTS OFFICE

Baghera/wines was established at the end of 2015 in Geneva by two passionate experts, who launched a specialized consultancy office exclusively dedicated to exceptional wines. Michael Ganne and Julie Carpentier joined forces, offering a new approach to high-end wine auctions, by placing cordiality and sharing at the very heart of the wine business.

Since then, Baghera/wines have become the #1 wine auctioneer in Europe, offering amongst other rarities, the “*Private cellar of Domaine Henri Jayer*” in June 2018, the world’s most important wine auction ever. Alongside their auctions, the Baghera/wines team guides collectors in every dimension of highlighting a collection, focusing on tailor-made, one-to-one professional advice, outstanding wine sourcing and excellency.

In 2019 Baghera/wines opened their office in Hong-Kong. In 2020, Baghera/wines settled at the Hotel Beau-Rivage in Geneva, opening alongside its new office, and private Club – *1865 by Baghera/wines*, which will duplicate in Nuits St Georges Burgundy in 2023.

TEAM

Michael Ganne

CHIEF EXECUTIVE OFFICER

Michael Ganne is originally from the Médoc region near Bordeaux and naturally chose to dedicate himself to the wine business. Yet his unswerving taste for novelty spanned well beyond the great Bordeaux wines of his native land.

A graduate of the International Vine and Wine Office with a Master of Wine Management, Michael has visited more than twenty-four countries and met with the most influential people in the business.

A strong promoter of the great vintage bottles he unearths, Michael auctioned some of the most glamorous sales as Head of Continental Europe for the Wine Department at Christie's. Yet, relentlessly looking for new perspectives, Michael decides to found his own auction house, Baghera/wines, in 2015.

Since Baghera/wines' creation, we owe Michael the most impressive world records, including the biggest wine auction ever: "Henri Jayer, The Heritage" which he auctioned in June 2018, selling for CHF 34,5M.

Julie Carpentier

DEPUTY CEO

Julie Carpentier's past is deeply rooted to the Loire valley. These regional origins may very well have given her the desire to take the plunge and work in wineries and vineyards. Yet it may simply have been the encounter with her husband-to-be, an accomplished winemaker...

In a former life, Julie studied Art and Archaeology at the École du Louvre before joining Christie's Wine Department as Wine Specialist, where she dedicated her expertise to fine wines. Also a graduate from WSET, Julie has shown a remarkable understanding of native varieties together with an overall taste for exceptional and unique *crus*.

Thus, when Michael asked her to join him in the creation of Baghera/wines, she did not hesitate to be part of the venture as Deputy Director, heading the team. Having developed strong ties with Domains, especially in Burgundy, Julie enjoys meeting vintners and people of the vine, pursuing her defense for the recognition and promotion of the art of winemaking.

DIRECTOR ASIA

An early passionate, following his “soul of wine”, Francesco is a true enthusiast. Having travelled far and wide and tasted many legendary wines, he has shared his in-depth knowledge with connoisseurs worldwide and collectors for many years.

Originally working as an equities research analyst in a French investment bank, Francesco changed his career to the wine industry, joining Christie’s as Senior Wine Specialist and Associate VP in 2008, where he co-organized, amongst others, the Château Latour ex-cellar sale in 2011 in Hong-Kong.

Catching up on their mutual passion for fine wines, Michael and Francesco joined forces to develop and strengthen Baghera/wines’ presence throughout Asia. A fervent amateur of European culture and of exceptional French wines especially, Francesco loves bringing people and continents together over the finest *crus*.

Arthur then went on to study at the prestigious École Hôtelière de Genève where he was particularly captivated by event management and oenology. He complemented his hospitality training with two in-house professional experiences at the Ritz Hotel in Paris and at the Salon International de la Haute Horlogerie in Geneva.

Whilst pursuing his passion for the study of wines and spirits, Arthur met Michael and Julie during the inaugural Baghera/wines auction. He joined the team as Sales & Events Officer during the organization of the “*Henri Jayer, The Heritage*” auction in 2018.

In the autumn of 2022, Arthur is strengthening Baghera/wines' bonds with the Singaporean wine community by opening a branch in the city-state.

Olivia Bouët-Willaumez

ART DIRECTOR

An artist’s daughter and grand-daughter, of British and French origins, Olivia has always been sensitive to the intricate geography of signs. Brought up in a multicultural artistic environment on 2 languages, classical music, jazz, *PG Tips* tea, ponies, cats&dogs and books, she fell in love with Hitchcock’s œuvre at an early age and decided to study Dramatic Art in the United Kingdom. She later pursued her acting training in Paris and Moscow and worked as an actress for the theater and cinema for fifteen years.

Family heredity compellingly made its way back, as the atavic urge for drawing and all things graphic sprung up again. Whether sketching portraits on paper tablecloths in restaurants or in her countless notebooks at the terraces of literary cafes in Paris, the fascination for signs on paper led Olivia to join some of the largest publishing houses in Paris and French press groups.

Michael invited her to join Baghera/wines as Art Director in 2015 and she has since signed Baghera’s graphic identity and catalogues.

Charlotte Jimenez

EVENTS COORDINATOR

Charlotte, who is from the Périgord in the Dordogne, has certainly succeeded in keeping intact her passion for culture and history, which early on inspired this epicurean, in love with the rich heritage of the South-West, be it gastronomic or viticultural!

After two years spent at the Faculty of Law in Périgueux, Charlotte headed for Burgundy where she completed her Bachelor's degree in Wine & Spirits at INSEEC in Beaune. Her encounters with many local professionals confirmed Charlotte's desire to place her passions – wine, marketing and events – at the heart of her future professional career.

Particularly attracted by the world of luxury and fine wines, Charlotte joined the Baghera/wines team in January 2020. To reinforce her 'wine & luxury' specialisation, she began her Master at INSEEC CREA in Geneva in September 2021, while continuing her missions with Baghera/wines where she is in charge of the operational preparation of auctions and the numerous events organised throughout the year.

PHOTOGRAPHY MANAGER

Florian graduated from the Ecole Cantonale d'Arts de Lausanne (ECAL) in 2012, after completing the Bachelor in Photography. Since then, he has been working as a freelance photographer for various reputable companies and clients. After several years in Lausanne and several artistic residencies (Genoa, Barcelona), Florian seized the opportunity to do a Master's degree in London at the famous Royal College of Art in 2017. As he is fond of saying, he immersed himself in that vibrant city for several years, before finally coming back to Switzerland, more precisely to Geneva, the city where he was born, but where he had never lived.

Florian continued his work as an artist in parallel to his professional assignments where he frequently used the photographic medium and film in more experimental projects.

Inspired by theatre, literature, black coffee and wine, the encounter between Florian and Baghera/wines quickly turned into a fine and creative collaboration, combining many common passions and inspirations.

It was at this point in his career that he met Michael and Arthur, who is also a former student of the Hotel School, and the whole Baghera/wines team, and was offered the chance to combine his two passions, for wine and numbers, in the role of CFO of Baghera/wines.

What we do ...

“Auctions”

“Events”

“Club”

“Boutique”

“Cellar”

With numerous historical sales including to date the world's most important wine auction ever, Baghera/wines has become the #1 wine auctioneer, ahead of a number of historical houses. Transforming wine auctions by putting the know-how and the human being at the heart and restauring the prestige of wine auction was Michael Canne and Julie Carpentier's aspiration when founding their Geneva-based auction house.

Baghera/wines organises three types of auction: Live room auctions, “Kipling” auctions and “Wine o'clocks”. On average twice a year, a live room auction is held on the Beau-Rivage Hotel premises, each a unique event telling the story of a heritage – be it that of an illustrious domain, a rare collection or a legendary vintner. A richly illustrated catalogue is published for the occasion to perfectly compliment and enhance the bottles offered for sale.

In addition to the organisation of auctions and exceptional tasting, the experienced team working with Baghera/wines' experts advises international collectors passionate about wine through its private club and boutique dedicated to fine wines, incorporated within the Beau-Rivage hotel, Geneva.

“Kipling” auctions are these quarterly online sales, live-streamed from *Club 1865 by Baghera/wines*, treasure-trove to veritable haute couture collections. A dynamic alternative to physical live room auctions to which Baghera/wines continues to apply the principles that are the foundations of its physical sales: irreproachable provenance, quality of expertise and exceptional lots.

“Wine o'clocks” are regular and fast online auctions that take place every second Tuesday of the month. They run on the principle of dial sales in which the price of lots drops in a limited time. This is an opportunity for Internet users all over the world to acquire great wines, in seconds, at the right price and with a single click.

Baghera/wines designs and organises several prestigious events throughout the year to celebrate the greatest wines. These events are usually held in Geneva or sometimes further afield, in Burgundy or elsewhere...

“*Wine & Music*” evenings, thematic tastings in small groups to broaden one's knowledge of a domain, a vintage, an appellation (vertical, horizontal,...), Baghera/wines style *Paulées* (traditional Burgundy meals) and delightful dinners presented in collaboration with Michelin-starred restaurants such as Maison Troisgros, are just some of the festive occasions that we have the pleasure to offer you.

For these unique occasions, we put all our experience at your service in selecting with care great wines of old, rare and sought-after vintages. Every moment is crafted to make your experience special, your evening warm and friendly.

In the heart of Geneva's most beautiful neighbourhood, a new club has been established on the ground floor of the historic Beau-Rivage Hotel. A private, high-class setting with a mellow and timeless atmosphere harbouring the greatest wines in the world. Reserved for a limited number of members, this club-lounge is dedicated to culinary and œnological pleasures in a warm and exclusive environment that combines discretion, rarity and privilege.

The *Club* is an opportunity for lovers of fine wines to meet and to share their impressions, perhaps to exchange bottles and to savour wine in a relaxed atmosphere, a *home from home*.

Tailor-made themed events are organized throughout the year for members who will also appreciate the Michelin-starred cuisine of Le Chat Botté restaurant and secure personal storage for their own personal collection.

Building on its success, the Club will be duplicated in Burgundy, in Nuits-Saint-Georges precisely, and will open its doors in 2023.

In the Summer 2020, the brand new Baghera/wines *Boutique* opened its doors in the heart of the Hotel Beau-Rivage in Geneva. Much more than a “boutique” in the commercial sense of the term, the venue invites wine lovers to discover not only exceptional vintages, but also more accessible and quite remarkable wines, a library made up of ancient œnological books and treaties accessible to members of the Club only.

Located at number 2 rue Adhémar-Fabri, in Geneva and close to the prestigious hotel, Beau-Rivage Genève, with which it maintains close ties, the *Boutique* offers a unique approach. The client is invited to journey to the heart of the terroirs, to share the most secret stories of the most renowned winegrowers worldwide, will be taken by the hand to live a human and sensory experience and reconnect with the land and its noblest products.

This is how Michael Canne and Julie Carpentier, the founders of Baghera/wines, first imagined this venue – a sojourn of pleasure that will allow them to keep in close contact with all of their customers throughout the year. Open 10am to 7pm, Tuesday to Saturday.

Since the autumn of 2019, Baghera/wines has been working with restaurateurs in Geneva, to sublimate the finest Swiss gastronomic talent.

The *Cellar* project offers to promising young chefs a fine wine list chosen with care by the experts at Baghera/wines, which complements the restaurant's original wine menu, while remaining consistent with the establishment's cuisine.

A genuine wine cellar on consignment, available to our partner restaurants in Geneva, *Cellar* offers wine enthusiasts the opportunity to taste rare vintages, sought-after appellations and bottles which are impossible to find on the market, and all this at selling prices in line with the market.

FOREWORD

“in the orb of night”

BY MICHAEL GANNE

*“One puts much more passion into obtaining what one does not have,
than into keeping what one has”.*

Stendhal

Passion can be expressed in a thousand different ways. Whatever the type of collection, each object has a meaning... Pleasure or emotion, desire or inclination, whatever the object of this desire, it has a singular and unique significance for each of us, because it leads us on an intimate quest for enjoyment and sensual pleasure.

This expectation of fulfilment must undoubtedly echo in every epicurean who reads these lines, resolute wine lovers and gourmets that we are, in the quest to find the right vintage to be paired with the right dish for a perfect match and for a unique occasion. For these exquisite wines will only express themselves once they have emerged from the darkness of the cellar where they have been preserved and pampered... only then will they offer themselves like a mortal creature to fulfil our expectations of fulfilment and our desire for the absolute.

Socratic wisdom holds that *“to live well, one must allow one’s passions all the growth possible, instead of repressing them, and, when they have reached their full strength, be capable of satisfying them by one’s courage and intelligence and of fulfilling all one’s desires as they blossom.”* Like the Platonic dialogue between Socrates and Callicles, our sale-event on 27 November awaits you with a constellation of vintages to explore, terroirs to delve into, winegrowers to discover, or rediscover, and viticultural journeys to undertake, in keeping with the private collections that have shaped the catalogue for this sale.

This especially unique selection of 1500 bottles, diligently assembled by seasoned private collectors is an impressive combination of fine and rare wines & spirits which embodies the passion of this handful of exceptional wine enthusiasts for the greatest estates and crus of the world.

From the world-acclaimed French terroirs, to Spain and Italy’s finest vineyards, from revered Australian and Californian winemakers... this 192-lot selection represents in itself the dreamed cellar, the ideal collection with wines from the most iconic producers one can dream of. The perfect preservation of these 1500 bottles, magnums and larger formats is itself evidence of the great care administered in the control of temperatures and hygrometry ensuring ideal storage conditions for each bottle selected by Baghera/ wines’ expert team in this catalogue.

Conterno, Giacosa, Soldera, Quintarelli, Vega Sicilia, Ygay, Dominus, Harlan, Shafer, Penfolds, Krug, Moët&Chandon, Clos Rougeard, Guigal, Chave, Rayas, Bizot, Engel, Jayer, Liger-Belair, Domaine de la Romanée-Conti, Roumier, Rousseau, d’Auenay, Coche-Dury, Leroy, Lafite, Latour, Mouton, Margaux, Haut-Brion, Mission Haut-Brion, Pétrus, Le Pin, Lafleur, Cheval Blanc, Ausone, d’Yquem, Macallan, Karuizawa, spanning from 1895 to 2019... give the scope of this impressive heritage that we now give you the opportunity to discover. Contemplate the magnificent landscape that stretches out under the clear white moonlight; admire these exceptional bottles that we have carefully selected, and which carry within them so many moments of eternity, reflections of the hard work of the winegrowers who brought them into being; appreciate these viticultural treasures that have patiently waited in these perfect cellars to be able to finally blossom in the twilight of the day!

Michael Ganne

*And the whiteness became light, and in the azure
The brightness became crimson, and we saw it burst, bloom,
And swell into an inexpressible dawn
Which began to ascend in the high firmament
By degrees and without haste and formidably; [...]
And suddenly, like a spirit enters a house,
Appeared, over the fierce horizon,
A flame suffusing millions of leagues,
Monstrous glow of blue immensities,
Splendid in the depths of the suddenly lightened sky;
And the fearsome star said to man: ‘I am here!’*

DESCRIPTION

Baghera/wines indicates conditions of the lots according to four criteria: capsules, corks, labels and levels.

Even with the best of care, labels may be stained or damaged because wines are stored in damp conditions. Such storage conditions are beneficial to the preservation of the wines. It is our duty to catalogue and report on wines as accurately as possible at the time of going to press. High resolution photographs are available upon request. The actual condition of the wine within the bottle is not necessarily linked to its outward appearance. You are strongly advised to examine any lot you are interested in before the sale to form your own opinion (or have it examined on your behalf).

CORKS AND ULLAGES IN REGARDS TO WINE

Ullage refers to the space between the base of the capsule and the wine itself. Acceptable ullage levels tend to increase with age.

In this catalogue, when stated "excellent level" or "excellent level for the age", please read that the levels are:

For Burgundy wines

- under 20 years old — less than 2,5cms
- between 21 and 30 years old — 3cms to 4cms
- over 31 years old — 4cms to 5cms

It should be noted that ullages may change between publication of the catalogue and the sale. This may be caused by the ageing of the cork or by a change in the temperature of the storage conditions or the shipment of the wine. We will only accept responsibility for descriptions of conditions at the time of print of this catalogue and cannot accept responsibility for any loss resulting from failure of corks either before or after this point.

PARCELS

Same wines (producers, appellation, vintage, etc.) may be regarded as part of a parcel. The successful bidder on a lot in a parcel has the possibility to purchase each of the remaining unsold lots in this parcel at the same price, at the time of the bidding. Please note that, in this catalogue, a parcel notice is indicated by the numbers of its constitutive lots in the heading.

CAUTIONARY NOTES

– Descriptions and estimates in this catalogue may be amended at our own discretion. Information is given orally or in writing, before or during the sale.

– Note that some producers tend to over-fill their bottles and a small quantity of wine may be trapped between the capsule and the cork and seep. This should not be confused with ullage (ullage is a natural occurrence in older wines).

conditions of business

These Conditions of Business govern the contractual relations between Baghera/wines Auction & Trading SA (“Baghera/wines”), the seller whose details are indicated in the Sales Commission document (“Seller”), any participant in the auction or traded or over-the-counter, as well as any bidder and the highest bidder, excluding contractual relations between Baghera/wines and the Seller. In case of conflict between these conditions of purchase and the terms and Conditions of Business, the general terms and Conditions of Business shall prevail. These purchase conditions can be modified at any time, in writing or orally during the sale. By participating in any capacity whatsoever in an auction or a private sale organized at Baghera/wines’ discretion, you agree to be bound by these conditions. You should therefore read them carefully before doing so.

1. BUYER

The last bidder at the stroke of the gavel (the “Buyer”) wins the bid on the lot of items (the “lot”). In case of dispute between two or more bidders, the lot will immediately be relisted.

2. AUCTION PROCEDURE

The bailiff accepts bids from those present at the sale, phone bidders, online bidders as well as absentee bidders. The stroke of the gavel indicates the final bid awarding the lot to the Purchaser. The bailiff speaks out and records the name or number of the Buyer.

3. TRANSFER OF RISK AND PROPERTY

Once awarded to the Buyer, the risks and ownership of the lot(s) pass to the Buyer.

4. ABSENTEE BIDDING

Baghera/wines can place bids on customers’ instruction, if you are unable to attend the auction in person, Baghera/wines and its employees or agents cannot be held responsible for failure in the transmission of these instructions during the auction. In the case where two identical bidding instructions match the highest bidding, the lot will be awarded to the first bidder. Baghera/wines reserves the right in its sole discretion, to refuse bids from a buyer’s instructions in case the information and documents submitted as proof of identity, i.e. the identity of the beneficial owner, should prove to be false, incomplete, ambiguous or inadequate.

5. TERMS OF AUCTION

The bailiff has the right at its absolute discretion to refuse any bid, to advance the bidding as it may decide, to withdraw or divide any Lot, to combine any two or more Lots. Any bid must be at least 10% higher than the previous bid. The bailiff can, however, change this percentage during the auction. The Seller as well as any person instructed by the former cannot bid on their own lots.

6. ESTIMATE

The estimate of each lot is based on prices reached during previous auctions for similar lots. It is subject to change and does not constitute any guarantee or indication of the actual final sale price. The estimate does not include costs such as the Buyer’s premium and additional costs (refer to section 8. below).

7. RESERVE PRICE

The reserve price is the confidential minimum price at which the Seller agrees to sell the Lot. If the reserve price is not reached, Baghera/wines may reject the last bid and set a new starting price equal to or above the reserve price. In case no bid matches or is above the reserve price, Baghera/wines shall withdraw the lot without adjudging it to anyone. Baghera/wines, however, reserves the right to organise a private sell after the auction, in which case the price shall not be lower than the reserve price, subject to agreement by the Seller for a price below the reserve price.

8. BUYER’S PREMIUM AND ADDITIONAL COSTS

The buyer’s premium is 22% plus 7,7% Value added tax (VAT) on the hammer price and buyer’s premium. The total amount of the hammer price of each of lot purchased, plus the buyer’s premium, plus VAT is the final price to acquire the lot(s). Please note that other taxes may arise after collection of the goods. This tax (VAT) is refunded to any buyer domiciled outside Switzerland if, but only if, Baghera/wines receives from such buyer an export declaration in respect of a purchased lot which has been stamped by Swiss customs. All buyers should note that local sales taxes or use taxes may become payable upon import of items following purchase. Buyers should obtain their own advice in this regard.

9. EXCHANGE RATES

In some auctions, in order to ensure proper information for the Buyer, a currency converter is made available. The data displayed are provided for information only and Baghera/wines assumes no responsibility in this regard.

10. PRE-AUCTION VIEWING

Prospective buyers are encouraged to inspect the property at the pre-sale viewing, which can be attended at no charge by appointment only (please contact office@bagherawines.com). Bidders accept responsibility for carrying out inspections and investigations, during previewing, to satisfy themselves as to the lots in which they may be interested.

Baghera/wines may also provide condition reports. The absence of reference to the condition of a lot in the catalogue description does not imply that the lot is free from faults or imperfections.

11. NO WARRANTY

Baghera/wines only acts as agent to the Seller. The sale is passed directly between the Seller and the Buyer. Baghera/wines shall not be responsible for any defects in the lots nor do we guarantee the accuracy of the information concerning the producer, origin, date, age, authenticity, provenance, weight or condition of any Lot. None of Baghera/wines agents have authority to give any guarantees in this respect. All statements made in catalogues, advertisements or brochures concerning Baghera/wines sales only express opinions and are no guarantee from Baghera/wines or the Seller. All persons concerned are expected to inquire before the auction, about the description and condition and of the lots and of possible defects or possible damage or repairs which have been, or need to be, carried out.

12. BIDDERS REGISTRATION

Prospective buyers who would bid for the first time with Baghera/wines are asked to provide the following documents, at least 48 hours in advance, in order to give Baghera/wines enough time to process and approve the registration for the auction:

- **Individuals:** government-issued photo identification (such as a driving licence, national identity card, or passport) and, if not shown on the ID document, proof of current address, for example a utility bill/bank statement.
- **Corporate clients:** a recent copy (under 3 months old) of the company register.
- **For other business structures** such as trusts, offshore companies or partnerships, please contact Baghera/wines’ Accounting Department (sales@bagherawines.com) for advice on the information you should supply.
- **A financial reference** in the form of a recent bank statement or a reference from your bank.
- **Persons registering to bid on behalf of someone** who has not previously bid or consigned with Baghera/wines should bring identification documents not only for themselves but also for the party on whose behalf they are bidding, together with a signed letter of authorisation from that party.

Please note, Baghera/wines is entitled to request a deposit in CHF in order to ensure the bidders’ final registration. If the bidder is unsuccessful and does not owe Baghera/wines any debt, the deposit will be refunded (i.e. the received CHF amount) in full, 7 days after the sale. Baghera/wines is entitled to change the deposit pre-registration procedures and requirements at their own discretion without prior notice.

13. BIDDER RESPONSIBILITY

Bidding at Auction

Bids may be executed in person by paddle during the auction, in writing prior to the sale by telephone or by live bidding.

Bidding in Person

To bid in person, you will need to register for and collect a numbered paddle before the auction begins. Proof of identity will be required. New clients are encouraged to register at least 48 hours in advance of a sale to allow sufficient time for us to process your information. All lots sold will be invoiced to the name and address to which the paddle has been registered and invoices cannot be transferred to other names and addresses. Please do not mislay your paddle; in the event of loss, inform the Sales Clerk immediately. At the end of the sale, please return your paddle to the registration desk.

Bidding by Telephone

If you cannot attend the auction, you may bid live on the telephone with one of our multilingual staff members. This service must be arranged at least 72 hours in advance of the sale, especially if you wish to bid in a language other than English. We also recommend that you leave an emergency bid which we can execute on your behalf just in case we are unable to reach you by telephone. Please note that telephone bids may be recorded (by bidding on the telephone, you consent to the recording of your conversation). We suggest that you leave a maximum bid, excluding the buyer’s premium and VAT, which we can execute on your behalf in the event we are unable to reach you by telephone.

Online Live Bidding – *Bliw*

If you cannot attend the auction in person, you may bid online on our online live bidding platform, available on our website at www.bagherawines.com. You must pre-register at least 36 hours before the start of the auction in order to be approved by our bid department. Please note that corporate firewalls may cause difficulties for online bidders. Baghera/wines’ *Bliw* platform is available on mobile devices as well as computers.

Absentee Bids

If you are unable to attend an auction in person, you may give Baghera/wines instructions to bid on your behalf. Our member of staff will then try to purchase the lot(s) of your choice for the lower price possible. Please note this service is free, totally confidential and offered as a convenience to clients who are unable to attend the sale. In the event of identical bids, the earliest received will take precedence. Although our representative will make every effort, Baghera/wines will not be responsible for error or failure to execute bids.

Bidding Increments

Bidding generally opens with the low estimate and advances in increments of up to 10% subject to the auctioneer’s discretion. The auctioneer retains the right to call bids at his own discretion – bids steps are shown on the Guide for Absentee Bidders on page 402.

Currency and Currency Converter

The sale is conducted in Swiss francs. Any other amounts shown in this catalogue and on the currency converter are for guidance only and are not legally binding. Baghera/wines declines all responsibility for any mistakes on the currency converter.

When bidding, the person assumes personal accountability to pay the price and any other applicable taxes or charges, unless it has been explicitly agreed in writing with Baghera/wines, prior to the auction, that the bidder only acts as an agent on behalf and in the name of an third party, acknowledged and accepted by Baghera/wines, and that the said party shall be solely responsible for payment of the Price.

The fall of the auctioneer’s hammer indicates the final bid. The auctioneer will call out and record the name or “paddle” number of the buyer. If your written bid is successful, you will be notified the day following the sale by email. Please note, bidding may be re-opened at the auctioneer’s discretion. The final bid is provisional until the end of the auction. The auctioneer is entitled to re-open the bidding at his discretion at any time before the end of the auction. At the end of the auction, the final bid becomes irrevocable.

14. SALE RESULTS

Results for the sale are available upon request. Baghera/wines cannot accept liability for any errors or omissions, howsoever caused. Sellers should await their settlement statement as confirmation of any sold proceeds.

15. PAYMENT OPTIONS AND DEADLINES

The price is payable in Swiss francs in the seven days following the sale. On the eighth day after the sale, interest at the rate of 1% per month will be added to the amount due. Payment can also be made in foreign currencies with legal-tender status if that amount

conditions of business (continued)

Please include your name and invoice number with your instructions to the bank. Please note that we reserve the right to decline payments received from anyone other than the buyer of record and that clearance of such payments will be required. All fees regarding bank transfers are at the buyer's charge.

Baghera/wines will accept all major credit cards, American Express, Visa and MasterCard to pay for invoices. (A processing fee will apply). The successful bidder during the auction is solely responsible for payment to Baghera/wines. We will not accept payments for purchased lots from any party other than the buyer. Goods can only be collected when payment has been cleared.

16. NON-PAYMENT

In case of non payment by the Buyer within seven days of the sale, Baghera/wines shall try their best to carry out the Seller's instructions as to the next steps and help them, when possible, to reach the price or if not, cancel the sale. All damages are expressly reserved. Notwithstanding the above, Baghera/wines expressly reserves the right at its discretion and expense of the Seller to accept special conditions of payment of the price, to take adequate measures for storage and/or lot insurance, to start or pursue any legal proceedings instituted by or against the Buyer on the terms and conditions that Baghera/wines considers appropriate, to take all necessary measures to recover the amounts owed by Buyer and, if possible, to return the lot to the Seller.

In case of non-payment or partial payment, Baghera/wines is entitled to terminate the contract with immediate effect, provided that it has served a warning to the Buyer to pay the requested amount within 10 days. In case of termination of the contract, the Buyer accepts to pay an indemnity corresponding to 20% of lot to Baghera/wines. The Buyer understands and expressly accepts that any amount already paid by the Buyer will be retained by Baghera/wines up to the amount of the indemnity.

17. PARTIAL PAYMENT

Any partial payment by the Buyer to Baghera/wines will be considered payment through direct deposit. In case of failure of the Buyer to pay the entire price of this deposit will be automatically collected and lot will be relisted by public auction or at a private auction or sale by private treaty at the discretion of Baghera/wines.

Baghera/wines shall not be bound by any reports produced by the Buyer, and reserves the right to seek additional expert advice at its own expense.

collection, shipment and storage

IMPORTATION

All lots are either in bond, either duty-paid in Baghera/wines' cellar at the Geneva FreePorts, Switzerland. Wine buyers from outside Switzerland should be aware of restrictions imposed by various jurisdictions regarding importation of alcoholic beverages. It is the buyer's responsibility to obtain any relevant export or import licence. The denial of any licence cannot justify the cancellation of the sale or any delay in making payment of the total amount due.

COLLECTION

Collection from the Geneva FreePorts will be by appointment only and at least 7 days notice must be given. Property will not be released until payment in full has been received and funds have been cleared. Authority for the release of lots to the Buyer will be a Release Order provided by Baghera/wines. Moreover, it is Baghera/wines' policy to request proof of identity (the Buyer's, or that of the Buyer's authorised representative/shippers, in which case they will require an authorisation letter from the Buyer) on collection of a lot. All Buyers (or shippers) must examine every lot or consignments in the presence of cellar staff at Geneva FreePorts prior to collection.

For any buyers outside Switzerland, a transit document will be needed to ship the wines. Destination VAT, excise duty, clearance charges are at the buyer's charge and cannot be cancelled or refunded by Baghera/wines. For buyers inside Switzerland, excise duty and clearance charges will be charged. VAT is already included in Baghera/wines invoices. Be informed that express shipping companies may refused to issue transit documents, we strongly recommend to use a professional wine carrier. Baghera/wines can assist in retrieving lots from the Geneva FreePorts.

SHIPPING

Shipping will be at Buyer's expense, and must be prepaid of freight collect. Shipping by commercial means, particularly of older wines, can be risky and it is at the buyer's risk. Baghera/wines will not refund any shipment charges under any circumstances. Please contact directly Baghera/wines shipping department for any transport or insurance requests.

Extreme temperatures (too hot or too cold) can damage fine wines. During periods of extreme temperatures, Baghera/wines holds your wine until the weather is suitable for shipping. This means that shipment of your wine can be delayed for several months during the summer. If the Buyer chooses to ship during extreme weather conditions, the Buyer assumes all responsibility for possible weather-related damage that may incur during that wine shipment (i.e. pushed up corks, leakage, etc.) and the Buyer understands that Baghera/wines will not guarantee the condition of any wine transported during periods of extreme heat or extreme cold and will not replace any wine deemed to have incurred temperature related damage in transit.

WINE PACKING

All lots will be delivered in their packaging as described in the catalogue.

If you would prefer an optimum protection of the bottles, we can provide styrofoam (on demand only, we shall provide you with a quote), and the empty original wooden cases will be added to the shipment.

Baghera/wines will take no responsibility for breakage of wines during shipment.

TAXATION

The laws of the final destination of shipment determine taxation. It is the Buyer's responsibility to ensure compliance with applicable tax laws shipments.
